Turning Data into Meaningful Insights

NONHLE SIBANDE

INTRODUCTION

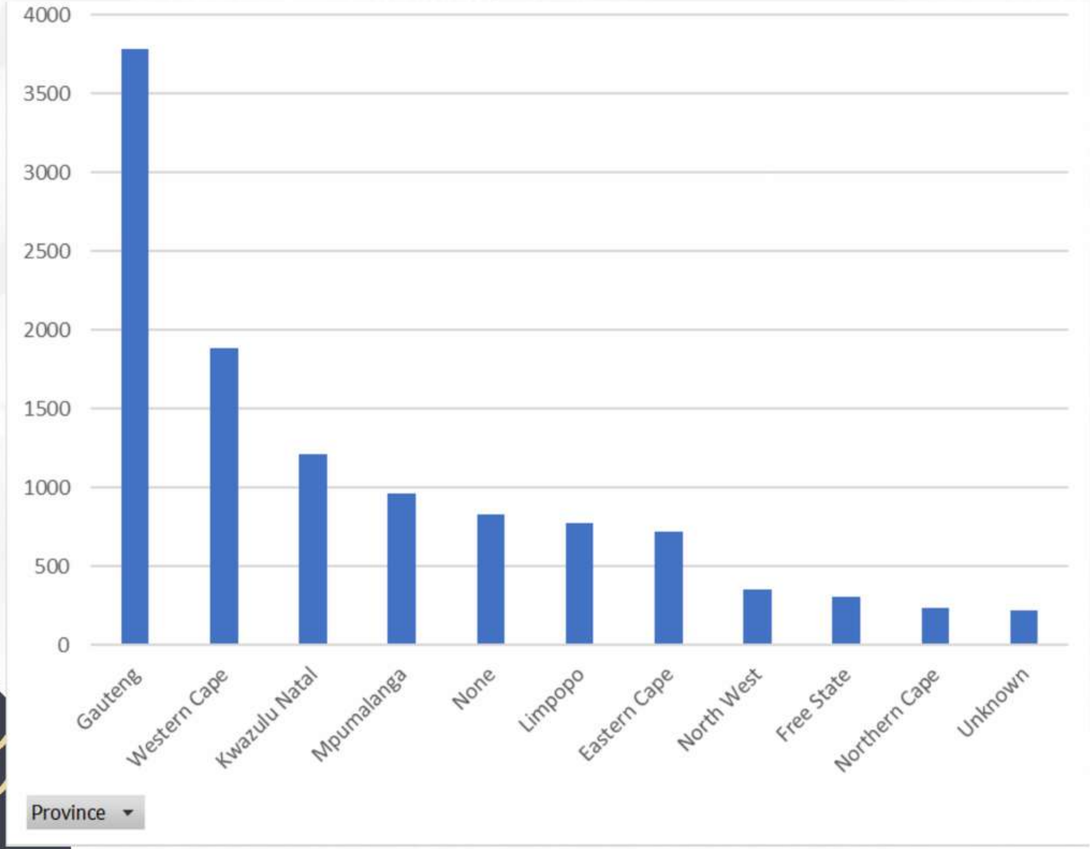
THIS PRESENTATION OUTLINES THE VIEWERSHIP TRENDS ACROSS DIFFERENT CHANNELS ON BRIGHT TV FROM THE **1ST OF JANUARY** TO THE **31ST OF MARCH** IN THE YEAR 2016. IT IS AIMED TO GIVE A CLEARER VISION ON CLIENT USAGE.

NUMBER OF CHANNELS ON BRIGHT TV : 21

NUMBER OF VIEWS : 11295

NUMBER OF VIEWERS: 5375

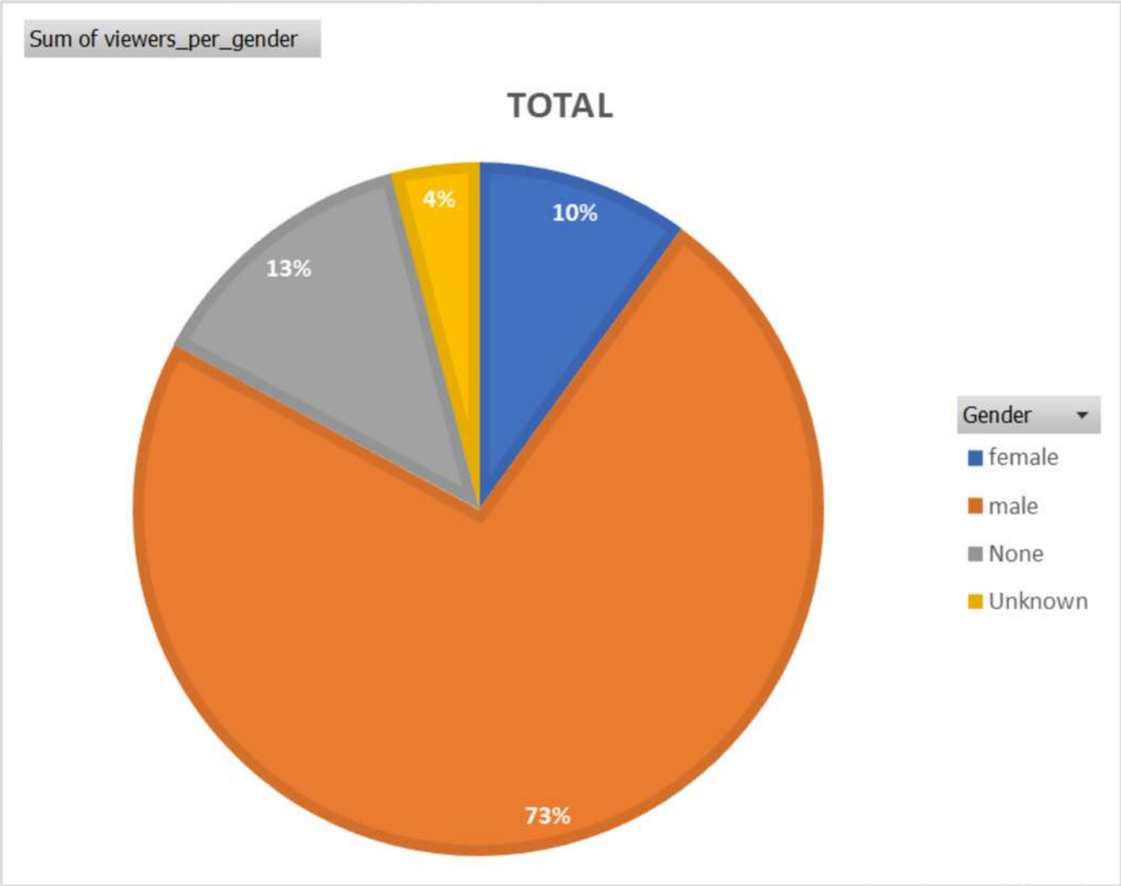
VIEWERS PER PROVINCE



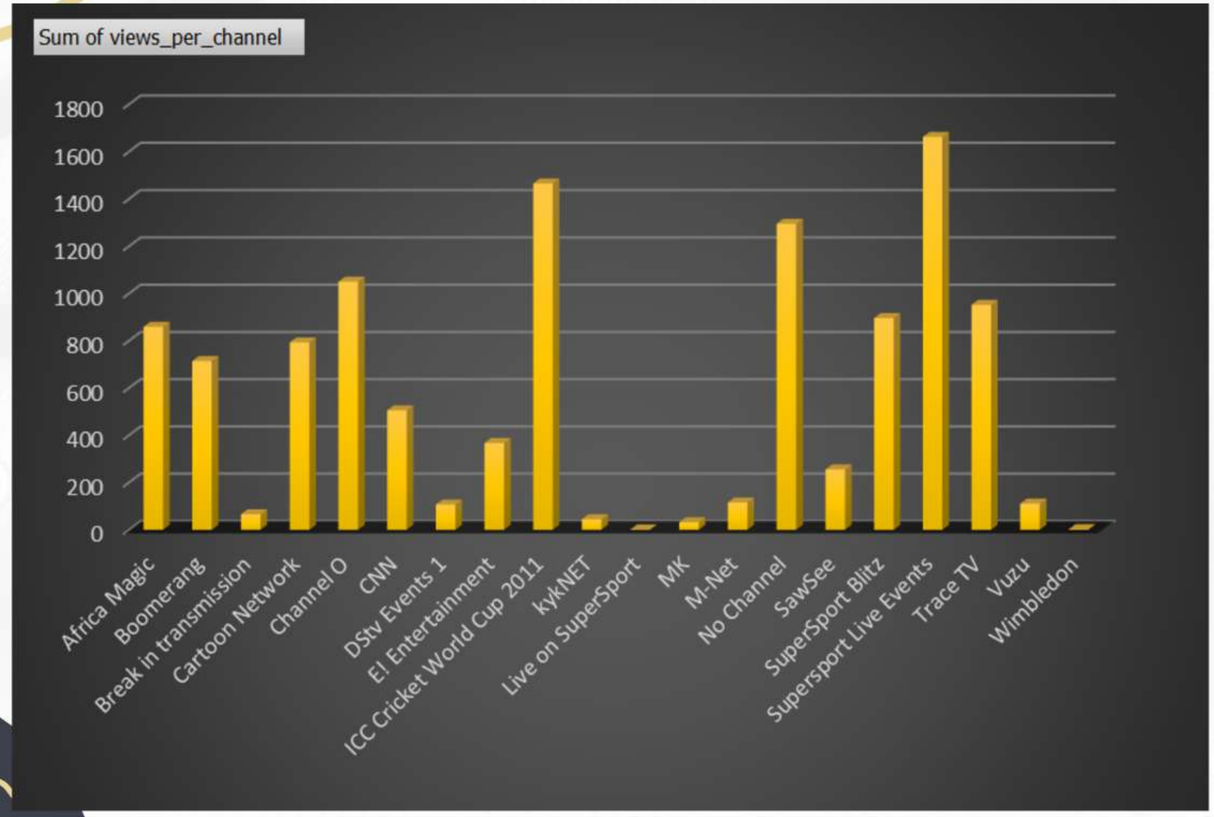
Gauteng has the highest number of views with almost twice as the second highest, Western Cape. Which indicates stronger viewer engagement in these regions.

VIEWS BY GENDER

Viewership is heavily dominated by males and only few 4% of the data misssing.

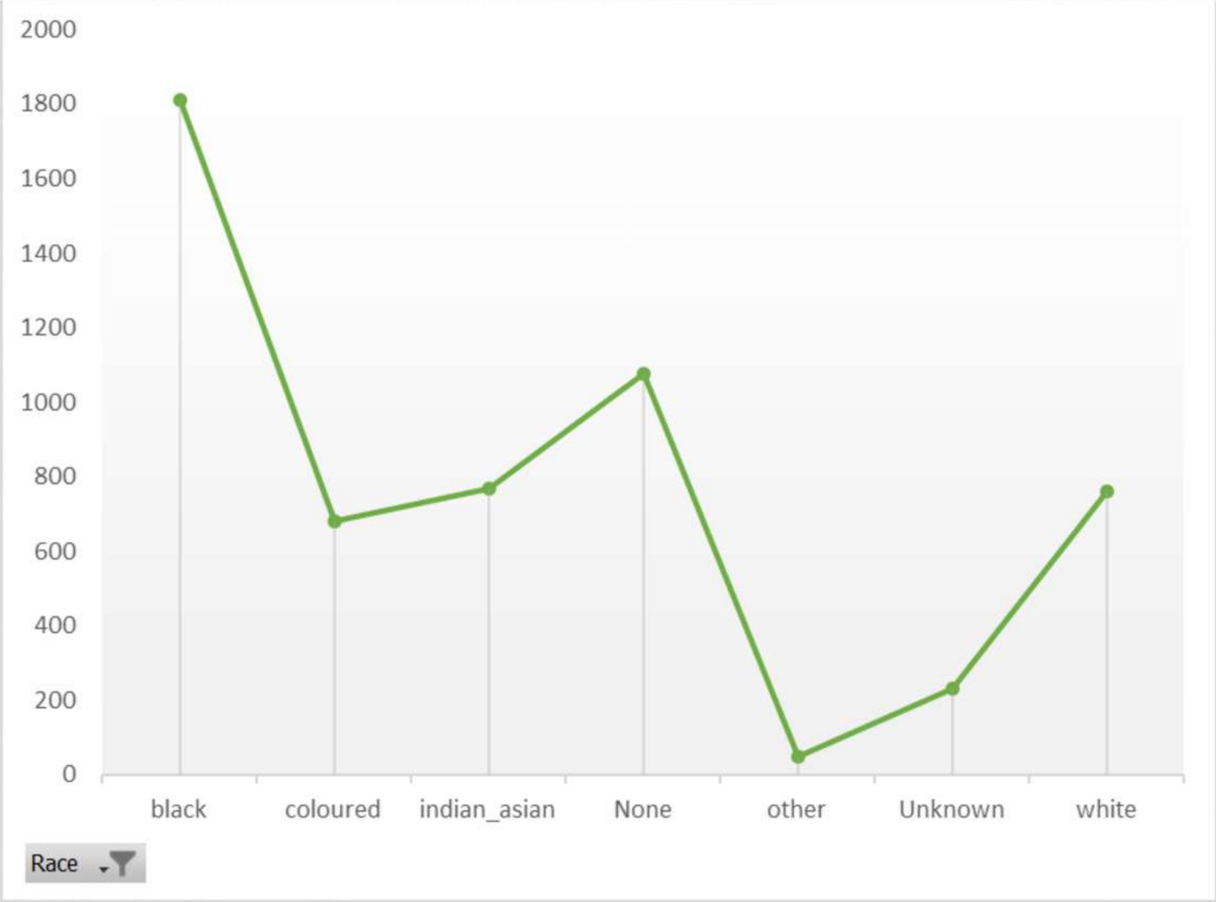


MOST VIEWED CHANNEL



The most viewed channels are sport channels, which explains why males are the dominating audience as shown on the previous slide.

DISTINCT VIEWERS BY RACE



This shows that black people are frequent viewers and white people rarely watch TV as they equate to a value below half the populaion of blacks.

VIEWERS PER DAY

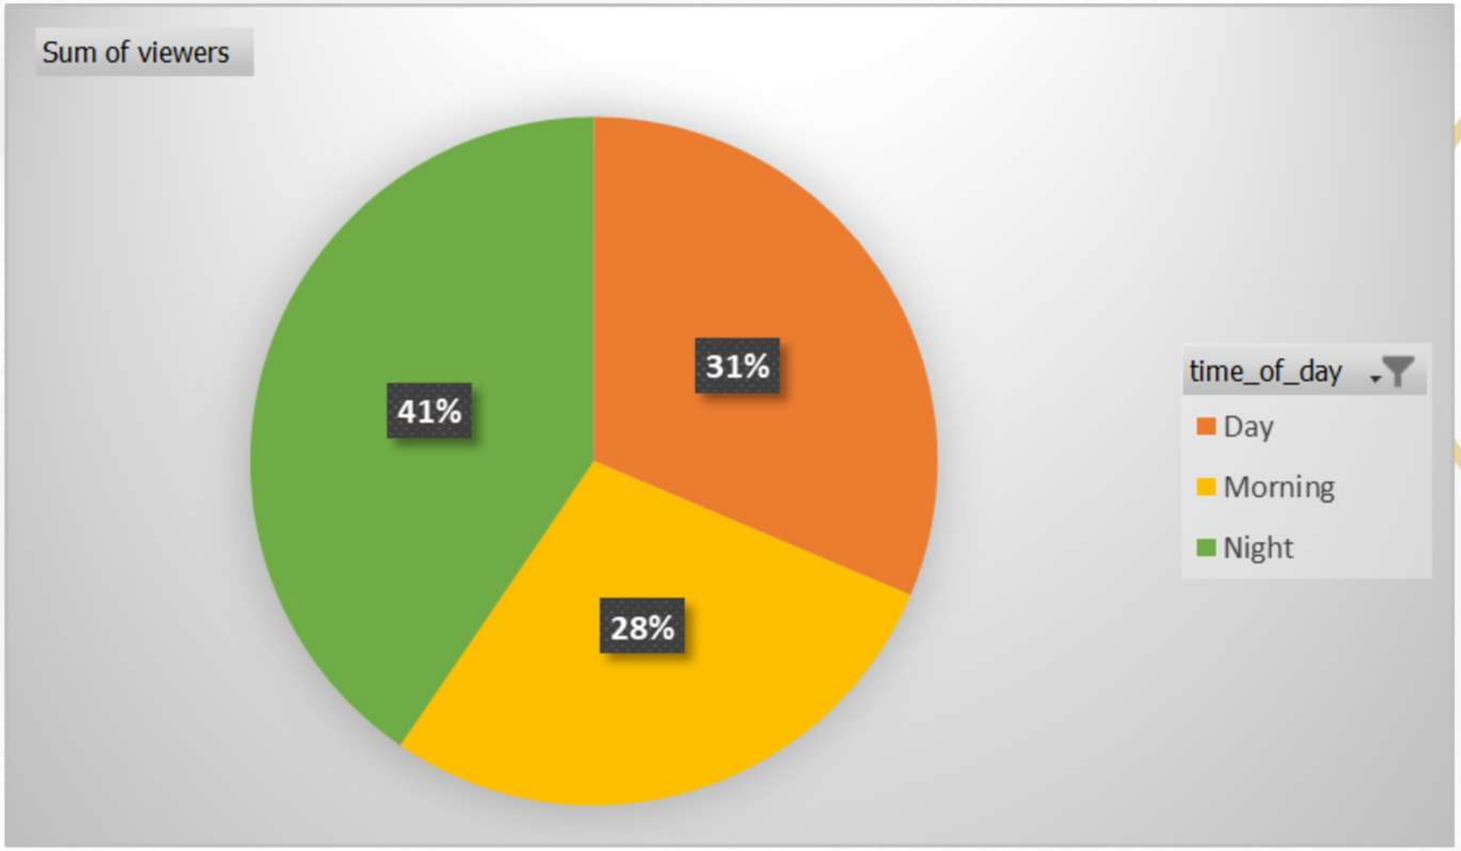
	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Unknown
Weekend	1398						1655	
Weekday		974	1321	1539	1471	1642		1295

Day_name

Notice how there is less viewershipis on weekdays than on weekends. Viewers have more free time on weekends than on weekdays, with the least availability to watch Tv being Monday. Mondays are hectic.

WHEN DO MOST VIEWERS WATCH TV??

41% of the viewers watch TV at night. This correlates with how busy they during the week with work and usually available later on in the day.



TARGET AUDIENCE

Age	Age_group
Child	0-12

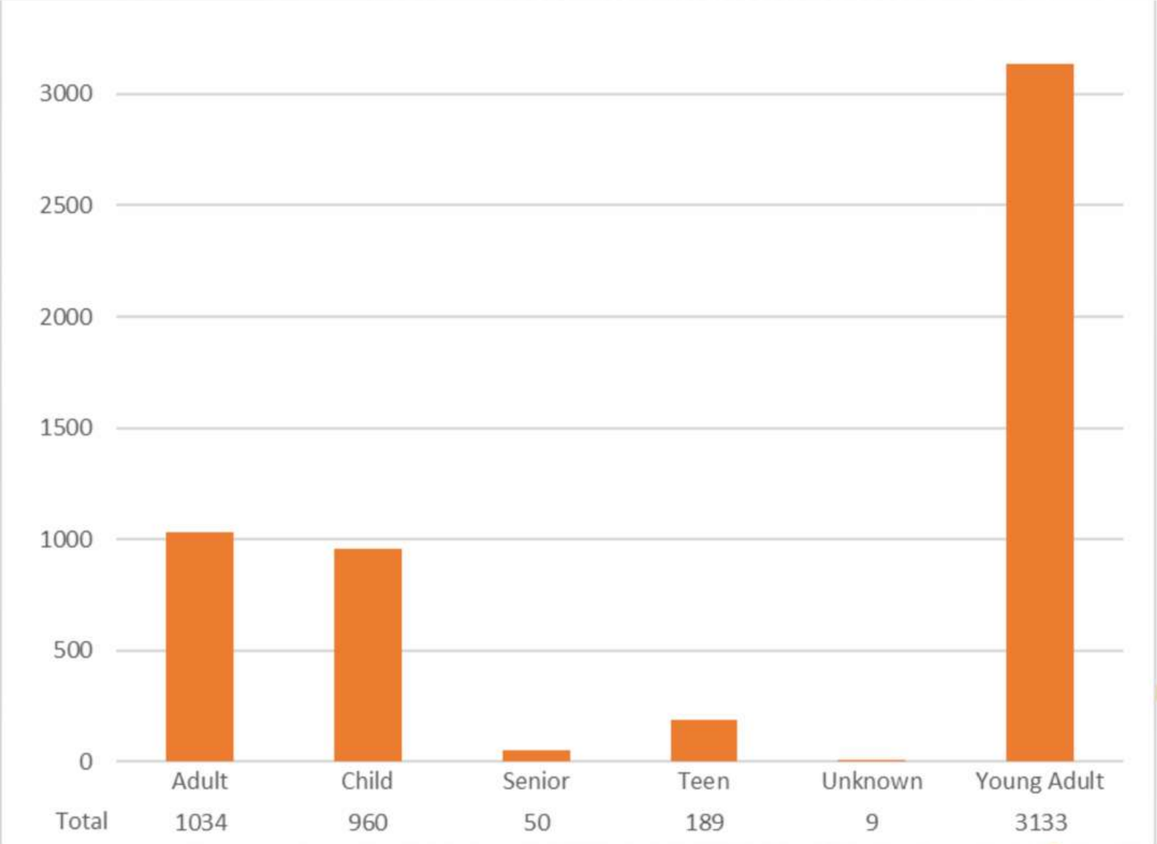
Adult	40-59
Senior	60-72



The target audience is young adults aged between 20 and 39

RECOMMENDATIONS

- Vierweship by **location** matters. Focus more marketing campains on regions like Gauteng and the Western Cape
- Personalize content according to the audience for example younger **audience** prefer entertainment, streaming-style content.
- **Sport channels** drives most of Bright Tvs viewers. It would suffice to invest more in high-performing content categories like these.
- Most viewership happens during **night hours,** this is when engagement is highest.
- Schedule premium content (movies, sports, top shows) at night.
- More people watch TV on weekends than weekdays. Increase special programming on weekends.
- You can even offer weekend promotions or bundles

THANK YOU
